

Rumford Fireplace

.....Components by Superior Clay Corp.

Tall and elegant.....the fireplace that keeps you warm. Rumford fireplaces are shallow to reflect more heat and have streamlined throats to eliminate turbulence and carry away the smoke with little loss of heated room air.

Smoke Chamber

offset or centered
(see table below)

Damper

Flat cast iron
or stainless steel

Throat

For Rumford fireplaces
24", 30", 36", 42" and
48" wide

By using Superior Clay Rumford fireplace components you can be sure that all the critical ratios are engineered for you so the fireplace will be efficient and draw well. The builder or mason need only follow the instructions that come with the components to guarantee quality, save time and ensure the correct Rumford design.
